

Complete nationally accredited Child Protection training to ensure compliance with National Law, National Regulations and high quality practices against the National Quality Standards

### COURSE PURPOSE

This accredited course is for anyone working in the Early Childhood industry who needs to update their Child Protection knowledge and training.

Upon successful completion of the training, educators will receive a nationally recognised Statement of Attainment for the unit *CHCPRT001 Identify and respond to children and young people at risk.*

### DURATION

One 2-hour evening session followed by completion of an assessment. Assessments must be finalised within one month of training session.

### COST

\$150.00

RTO ID 91454

## WHAT WILL BE COVERED?

- Identifying children and young people at risk of abuse or neglect by being aware of signs and symptoms
- Responding to disclosure, information or signs and symptoms in accordance with state legislative responsibilities and service policies and procedures
- Child focussed work practices to uphold the rights of the child
- Ethical guidelines and ethical and nurturing practices
- Recognising and reporting indicators for potential ethical concerns
- Complying with regulations, legislations and duty of care responsibilities

Training will meet the following ACECQA requirements:

[Education and Care Services National Law Section 162A](#)

[Education and Care Services National Regulation 84](#)

[National Quality Standards 2.3.3](#)

This is one of the two approved units that meet the requirements outlined in the Education and Care Services National Law for all Nominated Supervisors and persons in day-to-day charge of a service.
