# Online Service Standards

Please note that Julie Reid Management Pty Ltd trading as MP Training and Recruitment is referred to as 'MP' for the purpose of this document.

## Intent

MP Training and Recruitment offers courses delivered partly or wholly online, to enhance the learning experience and provide a more flexible mode of study. The following standards outline what can be expected when engaging with our online learning and/or assessment activities.

## Scope

This policy applies to trainers, assessors, administration officers, management staff and learners.

## Procedure

MP offers a range of programs that can be delivered partly or wholly online. We are committed to providing a quality learning experience for learners studying online and these online service standards explain our commitment to you in key areas.

MP has several measures to ensure the online learning experience for learners is the same level of quality as other modes of delivery.

These online service standards help learners to make an informed choice about which delivery mode and training provider will suit their individual needs and best help them to achieve the outcomes they seek from training.

### Learner Support

MP will provide the following support to learners studying any aspect of their program online:

- Trainers: Available for queries about learning and assessment by phone, email, and online chat for 4 hours a week for the duration of the program/subject.
- Will reply to queries within 48 hours and return assessments to learners within 7 days from the assessment due date.
- There will be a maximum of 50 learners to each trainer/assessor for each program.

### Administrative Support

- Available by phone and email between 9:00am and 5:00pm Monday to Friday.
- Will reply to queries within 48 hours.

### IT support helpdesk for technical queries

- Available via phone, email, and online chat between 10:00am and 4:00pm Monday to Friday
- Will reply to queries within 48 hours.

### Support services

- MP has a learning support officer who is available by appointment, in person or via video conference.

### Learner entry requirements and induction

MP conducts a comprehensive Pre-Training Review for all prospective learners to determine whether a program is suitable and appropriate for their individual needs by:

- completing a Literacy and Numeracy check
  - discussing the enrolment quiz outcomes and making recommendations about whether the program is suitable and identifying additional support where required
- This includes an assessment of digital literacy.

MP uses a learning management system (LMS) for online program delivery. The following are the minimum information technology requirements to enable optimal access to the LMS:

- a laptop, the internet and sufficient IT skills to access and use Dropbox, Kajabi (known as the Learning Platform) and Catapult (known as the Learner Platform). Also, relevant software and social media applications.
- Microsoft Windows, including Microsoft Word or equivalent word processing software.

Web-based content is available on hand-held devices including mobile phones and tablets. An introductory module and FAQs on the LMS.

## **LEARNING MATERIALS**

MP ensures that learning materials used in online training are interactive and are presented in a variety of formats, including:

- guided content
- graphics
- video
- audio
- interaction through discussion forums and webinars.

The principles of the Web Content Accessibility Guidelines are applied to our learning materials by ensuring that they are: perceivable, operable, understandable, and robust.

## **LEARNER ENGAGEMENT**

MP provides an online learning experience that is engaging and interactive. We will monitor your participation and ensure that you continue to progress through your program.

Collaborative learning opportunities will be provided so that you can interact with peers, through

- discussion forums

Ongoing feedback will be provided through:

- interaction with trainers/assessors in informal discussion forums
- in response to individual queries and in relation to the tasks you complete.

We will contact you if you have not logged on within 4 weeks of the program commencement date.

You will be deemed to have withdrawn from the program if you:

- have not logged on within 6 weeks of the program commencement date; and
- after making five attempts at contact, you do not reengage with us.

## **MODE AND METHOD OF ASSESSMENT**

A Learner Assessment Guide (LAG) will be used for each subject.

Forms of assessment will include:

- knowledge questions and evidence portfolio
- projects and activities
- case studies
- demonstration of practical skills.

We will use video technology to demonstrate your competency in practical skills.

## **TRAINERS**

All Trainers and Assessors delivering online programs at MP will participate in a staff reference group of online trainers and assessors who meet and share ideas for improvement.
